FRAKTION IM DEUTSCHEN BUNDESTAG

Ladies and Gentlemen,

The AfD parliamentary group in the German Bundestag warmly invites you to attend the 1st Democracy Congress in Berlin. Under the guiding themes of “Free Speech – Media – Human Rights,” politicians, academics, journalists, and media representatives from Germany and abroad will come together to discuss current challenges to free speech in Germany and across Europe.

The two-day congress will focus on key issues affecting democracy and freedom of expression, ranging from the impact of the European Digital Services Act and the role of independent media to questions of parliamentary freedom and the protection of fundamental civil rights. In addition to keynote speeches and panel discussions featuring distinguished speakers, several breakout sessions will provide opportunities for in-depth debate and direct exchange with subject-matter experts.

Among the guests are former President of the Czech Republic Prof. **Václav Klaus**; publisher of *Berliner Zeitung* and *Ostdeutsche Allgemeine*, **Holger Friedrich**; Editor-in-Chief of *Weltwoche*, **Roger Köppel**; Deputy Parliamentary Group Leader of the Freedom Party of Austria (FPÖ), **Dr. Susanne Fürst**; former President of Germany’s Federal Office for the Protection of the Constitution, **Dr. Hans-Georg Maaßen**; Professor Emeritus **Michael Meyen**; author and public intellectual **Dr. Ulrike Guérot**; entrepreneur **Alexander von Bismarck**; as well as numerous representatives from politics, academia, and the media.

Together, we seek to strengthen one of the foundations of every free society: the right to speak, debate, and dissent without fear.

Yours sincerely,

Dr. Alice Weidel MdB

Tino Chrupalla MdB
